Re: Letter of Reference for John Stubbs

To Whom It May Concern:

On behalf of Volunteer Resources at the Centre for Addiction and Mental Health, I am writing to attest to John's demonstrated commitment, independence, and reliability in his provision of volunteer services for clients of the organization.

Over the course of his time with us since June 2007, John has developed and facilitated a Centre-Wide Sports and Recreation Group. Volunteering 3-4 times/month, he has contributed a total of 82 hours.

During this time, John worked with clients experiencing mental health and substance use concerns. He engaged clients with minimal to no supervision and maintained regular logging reports, fulfilling all of his position's required reporting duties.

Should you have any questions or be interested in speaking further, please don't hesitate to contact me.

Respectfully,

Melanie Ollenberg
